### **President's Report, Jan Kane-**

Jan states she is very impressed with the number of volunteers this year.

- Jan and Kelly will be measuring students for their uniforms on 7/27 and fittings will take place on 8/4 and 8/5. Students are encouraged to wear tight fitting clothing. No boxers or boxer briefs are to be worn for fittings as kids will be changing in the hallway. Long black socks, tight fitting white t-shirts should be worn the day of the fitting along with tight fitting shorts.
- Parents consider ordering a show t-shirt to wear at competitions and consider purchasing a hoodie for cold weather days. Consider ordering a second show tshirt and one hoodie for your child. Show shirts are the kids uniform-out -of -uniform. Hoodies are needed for cold weather days.  
Question: Will there be youth sizes?  
S. Shamblin: Yes
- Please consider joining the Prop Crew. There is no commitment. You can come at any time when you are free, and help with anything even if it's painting. We need to get our props built in the next 2 weeks.

### **Vice President's Report, Andrea Delaney-**

- Car wash was successful. The band made \$431. Thanks to all the volunteers!
- Coin wars start next week and are separated by section i.e. woodwinds, brass, percussion, guard. Coin wars will go on thru the 3rd week of band camp and amounts will be tallied daily. Metal money is considered a positive point and paper money is considered a negative point. A kid could throw a \$10 bill into someone's pot and that will be considered a negative point and bring their total down. This encourages the kids to compete against one another and raise more money by trying to bring the other team down by throwing in paper money. The team with the most metal money( positive points) in their pot at the end wins the reward of sleeping in and throwing a pie in the band staff's face.
- Profits from coin wars will be used to cover the cost of making craft fair baskets.
- We are in talks with Mike's Car wash about a fundraising event with them selling car wash gift cards. The band will receive a percentage of the sales. There will be more info. to come.
- Our next restaurant night will be at the Frisch's on Turfway Road in Florence on 8/11. There will be one restaurant night a month.
- We need people to sign up to work the concession stand. The concession stand is our biggest fundraiser. The band boosters work the concession for football games and soccer games.

#### **Craft Fair:**

- The Craft Fair will take place on 12/11/2021 from 9am to 2pm.
- 60 vendors have signed up for the Craft Fair and it has not even been advertised yet. Most of the fees have been collected and we will be putting out feelers and creating a flier.
- There will be raffle baskets and a silent auction. We now have a gambling license so both can be done.
- Gift baskets need to be put together. If you have any good ideas for baskets that will be good sellers, please share that info to the eyeswithpride.net website. We are also looking for donations.
- Instead of donating items, also consider donating cash or gift cards so items can be purchased.
- Band members will be helping vendors unload their cars, reload their cars, and clean up the day of the craft fair. Student volunteers needed.

#### **Website:**

- eyeswithpride.net
- Currently trying to get the website more user friendly and that is halfway complete.
- There is an absentee tab on the website. Please fill this out when your child will be absent from practice, competition, games, camp etc. This will send an alert to Ms. Shamblin letting her know your child will not be there that day.
- There will be a rideshare form added. It will be locked down with a code. In order to access, you must have the code to offer rides or ask for rides. The code allows this to now be open to the public.
- SignUp Genius will be added to the site so you can sign up to volunteer.
- Restaurant Nights flier will be added to the website.
- There is a Marching Band tab which includes a schedule for competition with directions, score, placement, competition rules, and band etiquette.
